KEY

These circles represent ideas collected at Community Meeting 1.

1 Idea
18 Ideas

The size of the circles indicate how many people said similar things.

We grouped ideas into "Subcategories" and "Major Categories" for groups of ideas are related but not the same.

Participants placed stickers on ideas that they chose to prioritize. The number of those prioritizations are shown here as line width around the circles.

Prioritized Once
Prioritized 10 times
PLAQUEMINES PARISH
136 participants described 371 ideas that we’ve organized into CHALLENGES, STRENGTHS, & OPPORTUNITIES
